Accommodation :- We have based our itinerary 3 star hotels. The hotels that we have selected are comfortable and well suited for student groups.

Quality is of the utmost importance to us. All our tour components – accommodation, transport, meals and staffing - must meet our rigorous minimum requirements. We only work with suppliers who we know will deliver a quality experience for our clients.

Affordability and quality is paramount, but price is important too. Working directly with us, schools will benefit financially from our excellent relationships with our suppliers as we are able to tailor tours to perfectly fit your budget.

We look forward to working with you and your school/company in the very near future.

Kind Regards, Leona Meadows (Ms)
